KAMADOJOE®

Konnected Joe™

Counterbalance Hinge

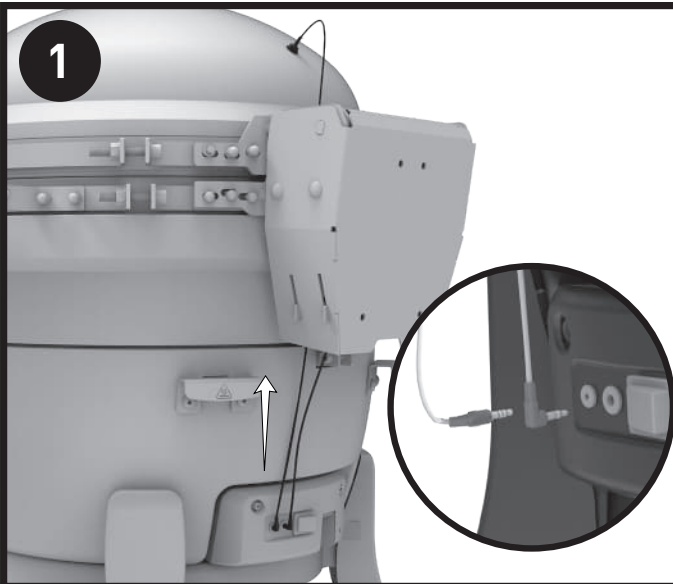

CAUTION - SAFETY PRECAUTIONS - READ BEFORE USE

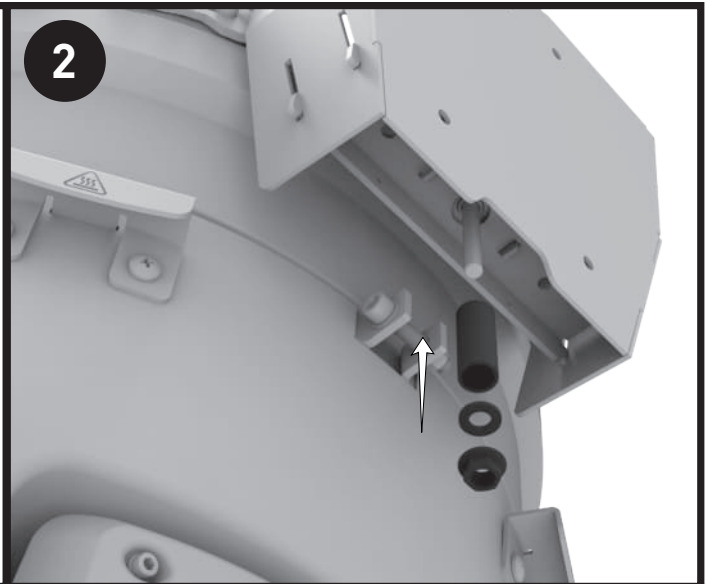

- Make sure your grill has fully cooled before handling to avoid burns.
- Some components may have sharp edges. Use caution to avoid injury.
- Disconnect the power supply from the grill before handling.

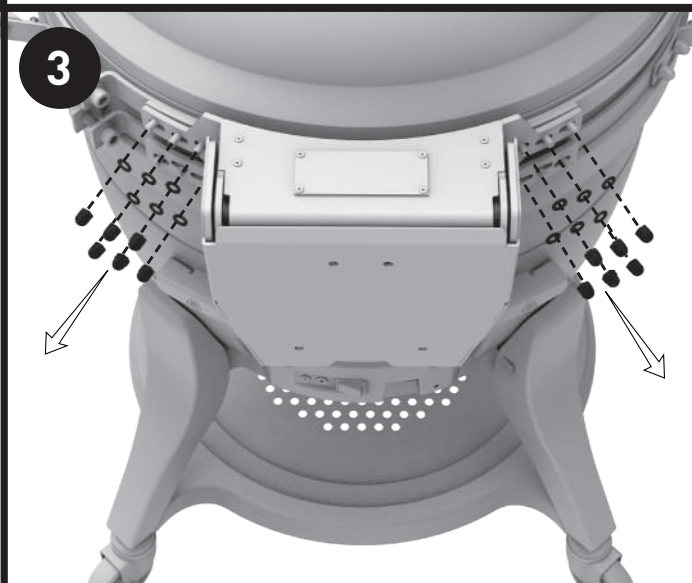

Pictures are for illustration purposes only.

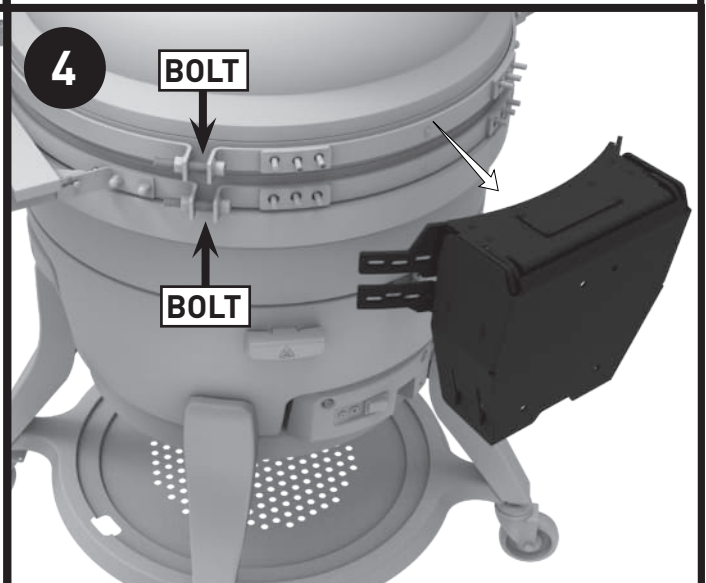

Unplug the pit probe, lid switch, and power supply from the rear of grill. Thread the pit probe and lid switch through the hinge.

Install the disengagement tool on the hinge.

Remove 12 hinge acorn nuts and 12 washers.

Remove the hinge.
Note: You can loosen the bolt on the upper and lower bands if the hinge will not disengage.

Repeat the steps in reverse order to install the new counterbalance hinge.
